Dear Derek,

Short-term services :

The really worrying fortnight is now about to start - final arrangements, and the great query as to whether we'll get the volunteers after all. We've always said there'd be no difficulty, but when you get down to fixed dates, places and distances and fitting everybody together, then one's faith, however steady in the past, begins to rock a little.

Number of schemes :

I've had to cut one out, leaving four in all. Münster didn't go well - there was no one on the spot who could tie things up, and I couldn't make it, and now there isn't time to try that or an alternative safely. So now it's RENDSBURG, HAMBURG, GELDERN, MESCHEDE.

The teams :

.....  
..... and Leslie will be running the Geldern camp, and Charles and Eric will be available for other short-term schemes. ....  
.....  
.....

I hope that's all for today.

David
