Dear John,

Marriages :

When I learned the other day that one and perhaps two members of the teams out here in Germany wanted to marry Germans, I did not waste much time in running to Miss Roberts to find out just exactly the position was; at least as far as the Red Cross and the Umbrella was concerned. She herself was a little concerned about the recent FRS marriage in Berlin which had produced so much publicity, and the whole matter is going to be raised tomorrow at the Advisory Officers' meeting with Lady Falmouth and the Colonel. Once again I would very much like guidance from the F.S.C. Of course both affairs are very much "in the air" at the moment and no definite step has been taken; but perhaps it would be as well to get the broad principles straitened out; as it is likely that other cases may arise - at least it is not outside the bounds of possibility.

.....

That's all from now,

Cheerio,

Basil
