### 3. WORK IN EASTERN EUROPE

The IC having discussed this question first by correspondence and at the present meeting, the following recommendations were made :

- i) SCI should be ready to offer a group of volunteers in case of an emergency in this part of Europe;
- ii) The Swiss committee was asked to form a special committee which would study the problems involved if offering a group to Eastern Europe, and report the results of their discussions to the IC;
- iii) A group should only be offered, if there were volunteers available who felt a special concern for work in Eastern Europe;
- iv) The question should be raised in an article written by Henri Roser in the next issue of LE SERVICE CIVIL.
