IZD-Camp in Heiligenhaus

Dear friend,

here are some informations about our camp in Heiligenhaus

Start : 1. August 1951

Camp-address : Internationaler Zivildienst
Heiligenhaus, Bezirk Düsseldorf
Talburgstrasse

How to go there : With train till Düsseldorf.
From Düsseldorf main-station with tram to Graf-Adolf-Platz.
In front of the Hotel "Europäischer Hof" is a post-bus, which is going to
Heiligenhaus-Langenberg. Please take this bus to Heiligenhaus.
You have to leave it on Gaststätte "Zum Keller".
To the left there is the Talburgstrasse.
A big barrack of this street is the home of IZD.

What to bring with you? Working-clothes,
sleeping-bag,
song-book,
and - if possible - a music-instrument.

In Heiligenhaus will be built a settlement for refugees and families with many children and so on. We will help these families. At first we have to build a street, and than we shall give our help to the skilled workers on the houses, and we shall further help in the production of stones (bricks) for these houses.

The "Stadtdirektor" of the town Heiligenhaus, Herr Berge, and some other people in this town are very interested in international understanding and community-work. So, they will give us all the help, we need for our camp.

We are very glad, to have you in this camp and we are waiting for you with pleasure on
.... August.

Many greetings

(Meta Walter)
