Dear friends,

3. EAST-WEST. So far the volunteers from the East have not arrived, but Etienne has been making all possible efforts to push for the visas and we hope that 2 Poles, 2 Czechs, 2 Russians and 1 Chilean are about to arrive. More news next time.

André Lemaire will represent SCI as observer at the WFDY Council Meeting at Sofia, August 20 - 23. He has been in Clichy for some long discussions with Roger Briottet and myself. I am very happy that André is undertaking this for us (See also the Minutes on the Berlin Meetings): André will also be stopping off in Belgrade to make contacts.
