Clichy, le 16 février 1957.

To the members of the East-West Sub-Committee.

Dear friends,

The next meeting of the East-West Sub-Committee, will be held in Clichy on Saturday morning, the 23rd February from 9.00 to 12.30. The following will represent the participating branches (see Middlekerke Minutes) :

|                  |                    |                      |                |
|------------------|--------------------|----------------------|----------------|
| <u>Belgium</u> : | Noel Platteuw,     | <u>France</u> :      | Roger Briottet |
| <u>Germany</u> : | Gerhard Krückeberg | <u>Switzerland</u> : | Rolf Wilhelm   |
| <u>Invited</u> : | Etienne Reclus     | <u>Ex officio</u> :  | Dorothy Abbott |

As all the above will be in Paris at this time for other reasons, there will be no expenses to pay.

You are asked to refer back to the Minutes of the last I.C. meeting at Middlekerke and also to the circulars since IS / IC / 3. 57 and 8. 57. It would also be useful to re-read reports from Bonnat and André Lemaire's visit to Sofia (Le S.C. no. 72, or IS / IC / 12. 56 and 22. 56).

Suggested points for discussions are :

1. Have the events in Hungary changed our attitude to East-West co-operation ?
2. East European vols. to West European camps
  - a) "East-West" camp in West Europe (Belgium, Norway ?)  
Invitations to WFDY and affiliated organisations ?
  - b) Open invitation to all SCI services ?
3. Place of a service in Eastern Europe
  - a) Czechoslovakia - refused via Belgian Branch
  - b) Poland. (No steps yet taken on I.C. decision)
  - c) Hungary : should we seek co-operation of the WFDY ? (Some guide to their stand given in our "Appendix" I from the WFDY last information Sheet which you will receive before the meetings).
  - d) East Berlin ?
4. Technical points for "East" camp.
  - a) Responsible secretariat
  - b) Funds
  - c) Period
  - d) .. ? ..
5. Revision of terms of co-operation (See I.C. Middlekerke Minutes).

Bon voyage et à bientôt,

Dorothy Abbott
