Dear friends,

We cannot yet provide you with the programme of the SCI camps for 1958. We are sending you some leaflets about SCI work and principles. Maybe there will be a camp in Tunisia this summer. You will see it on the programme that we shall send you when it is available.

We welcome people from your organisation to take part in our camps. Please send applications to the International Secretariat to the address given below :

77, Boulevard Jean Jaurès
Clichy / Seine / France

Best wishes to you,

Noël Platteuw
