

COMMUNIQUE

For a long time there has been consultation between various organisations concerning the organisation of a seminar on the subject of International Voluntary Work Camps.

A meeting took place in Moscow on 28. 7. 1961. The following took part :

Representatives of the Coordination Committee for International Voluntary Work Camps

and Mieczyslaw Klos — BITEJ / WFDY

Nikojan Novokreshchenov — CYO / USSR

Waclaw Wyygledowski — ZMW / Poland

Jean Garcias — Preparatory Committee 8th World Youth Festival

After a full exchange of views at that meeting it was decided to set up an Organising Committee which would deal with the organisation of a seminar on International Voluntary Work Camps. It was agreed that this seminar would take place within the framework of the 8th World Youth and Student Festival at Helsinki 1962.

The Coordination Committee of International Voluntary work Camps takes responsibility for the seminar and therefore appoints the President of the Organising Committee.

The other members of the Organising Committee will be :

On behalf of the Coordination Committee

S.C.I., Friends Work Camps, London CKMOJ

and BITEJ / WFDY, CYO / USSR, ZMW / Poland

It is also proposed that the Coordination Committee joins the Festival Preparatory Committee for the specific purpose of the organisation of the seminar only.

At the meeting of the Organising Committee held on August 1st 1961 in Moscow this Communique was accepted and plans made for the work of the Committee for the next four months.
