Dear Mr. Rümpel,

You will certainly recall meeting our international vice-president, Mr. Chris Hollaender, at the occasion of the Youth Forum in Moscow last year. The year before, Mr. Henri Majewski, also representing then our organisation, met Mr. Irina Kuntz, General Secretary of the F.D.J.

At both these meetings, problems of co-operation and exchange of volunteers between our two organisations were discussed and promising conclusions were reached.

In the course of a journey to Helsinki, Moscow, Warsaw and Germany, I plan to stop on August 17th in Berlin and I should be very glad if we could meet and continue these fruitful discussions in order to study plans of collaboration in the years to come.

As I shall be leaving London on July 26th, I should be grateful if you could let me know if a meeting between us could be arranged on August 17th, as soon as convenient.

Yours sincerely,

Roger Briottet
