D.D.R.

Dear Mr. Rümpel,

Following my letter of December 5th 1962, I should be very grateful if you would let me know as soon as possible if your Committee agreed on the terms of the text proposed by the International Committee of Service Civil International at its November meeting regarding our collaboration in the coming summer. It may be easier if I restate these terms, which give a slight change in the wording of the agreement that we both signed on September 27th in Berlin :

It is proposed that the words "wirksame Arbeit gesellschaftlichen Charakters" be replaced by "wirksame soziale Arbeit".

It is very important that an outline of the project in the D.D.R. be proposed in March to the British branch of S.C.I. and to our International Committee, so that we can make adequate preparations. I am sending a copy of this letter to our representative in the D.D.R., Mr. Michael Holman, who, as I stated in my last letter, would be pleased to meet you to discuss the details of this project. His new address is :

Leipzig C 1, Nürnberger Straße 48, Zi. 108 b

Yours sincerely,

Roger Briottet
European Secretary
Service Civil International
