East-West Camp in the DDR

Dear Bill,

This is really an SOS ! As you know we shall have this famous camp in the DDR from July 2nd to August 4th (including Seminar in Paris and travel) near Potsdam. Surprisingly enough, we do not have enough volunteers for this service. I cannot quite understand why, as we have advertised it normally and in good time, but there we are. I wonder if you could find a few (I would say up to three . . .) good and experienced volunteers for this camp. I think that we would even accept volunteers with little experience if they were recommended by you. Applications should reach the British branch of SCI as soon as possible. Thank you for your help.

I am sorry I left so abruptly at the end of the last CoCo meeting. I realised afterwards that I might not see you again. I'd be very sorry if it was the case. As you may know, I shall be in Paris next week on the 13th and 14th and I'd very much like to meet you then. Apart from saying good bye to you, we shall probably have to make sure that I am up to date for the Yugoslav camp.

Looking forward to seeing you soon,

All the best,

Roger Briottet

Sorry for the bad typing : it's bad enough when I am used to the typewriter but it's obviously even worse when I have to change key!
