12th May, 1966

Lutz Caspers
Munzeler Strasse 31,
Hannover 3.

Dear Lutz,

FDJ requests the pleasure of our company on the 20th May in the afternoon. Is this possible for you ? If not, I shall propose to FDJ the 30th May or the 3rd June, or any day between - during your holidays, but preferably at the beginning or end of the holiday, to allow you to do other things as well as go to East Berlin.

The camp in East Germany will be from July 30th to August 20th, at Oschersleben, probably a continuation of the work done last year, and our agreement with FDJ of last year will be officially extended.

The FDJ letter came from Horst Krüger.

In view of the shortage of time (the FDJ letter came yesterday) I should much appreciate a telegram or a dialled telephone call if you are able to make such a call from Hannover (I suppose you can, being a large efficient German city) - whichever is cheaper, to say yes or no about the 20th : otherwise I cannot tell FDJ in time whether or not we are coming.

All the best,

Janet Goodricke
