Dear friends,

We think that the friendly relations between the Free German Youth and Service Civil International have been growing steadily within the recent years.

One successful result — we are sure you share this opinion — was the international voluntary camp FDJ / SCI / BITEJ in 1966. We believe it helped a lot to create friendship and mutual understanding among young people in order to promote the matter of peace.

To further our cooperation we suggest to have some discussions in Berlin and therefore have the pleasure to invite the European Secretary, Janet Goodricke, to our Capital from March 1 - 3rd and hope this will fit in your planning.  
We are readily prepared to have a common camp in the G.D.R. again.

Looking forward to hear from you as soon as possible and to meet you personally again, we remain,

with friendly greetings  
Dep. of Int. Relations
