Dear Janet,

sorry, but the date of my exam has been changed. It will be on May 26th already. So you can imagine that, having lost one month for preparatory work, I am no longer especially fond of travelling around before that date.

What can be done. Have you fixed a date with FDJ already ? In case you want me to come with you, it must be after the 26th.

It also means that I won't be able to attend the ICM this time. I hope to find a good alternate who knows more about CO's in Germany than I do.

Finally it means that I am not coming to our yearly meeting at Stuttgart as I have to finish my written paper by the end of March.

Three times "No" ! Let me say three times "Yes" :

yes, I do hope that you are able to come to Stuttgart. I may turn out to be a very interesting discussion;

yes, I hope to see you again here in Hanover, either at the end of May to accompany you or earlier to welcome you as our guest;

yes, I hope to have one or two good camps again in the DDR this year. What about the second camp ? Any positive answer ?

All the best (many mistakes in this letter. It seems to be too late today !)
