Dear Ellen Seifert,

I have tried several times to reach you by phone but without success. Then today I succeeded to speak to your secretary who kindly gave me the basic information we needed for our volunteers coming to the Tuchheim camp. We have passed on this information to our volunteers, as per the enclosed information sheet.

I am enclosing the application forms of our volunteers, in order to give you some ideas about them before they actually arrive. I am afraid we cannot yet send you the forms of all our volunteers, as we do not yet have the forms ourselves, but in addition to the forms I am enclosing, there will be a further one, or possibly two volunteers, whose forms we will forward when we receive them.

We ourselves will obviously be receiving reports of the camp from our own volunteers, but we would very much appreciate a report from your side, to see how the FDJ volunteers found the camp.

Hoping the camp will be most successful, and thanking you for all your help,

Yours sincerely,

Franco Perna,  
European Secretary,  
Service Civil International.
